

Charity 2011 – 2012

September 2011

The year started fantastically with Calvi Parents and children working together to raise £709.80 for Seeds For Africa. This fantastic charity helps African families and communities by the provision of seeds, agricultural equipment and relevant technical advice, giving individuals and communities a future, not just a temporary answer.

October 2011

Hungry boys and girls left school on Friday, to the wonderful and clearly alluring smell of Krispy Kreme Donuts. Stalls were put out at the front of school in order to raise money for a Charity that we have worked closely with on a number of occasions – Abbie's Fund. Once again, the amount raised was fantastic in such a brief period of time, and thanks must be given to those parents that gave up their valuable time too, in order to help set up and 'Dish the Donuts'. A superb £351 was raised.

November 2011

Four students from Feltonfleet took it upon themselves to run an incredible 5km on a breezy Sunday afternoon, in order to raise money for The Shooting Start Charity. Connor Crompton and Frej Wrigley (members of the Charity Committee) along with their sisters, Gracie and Siri, ran the grueling Cross-country event in an excellent time and raised an astonishing £1000 for the wonderful Charity.

November – December 2011

Years 3 and 4 started a sponsored read in aid of the Gatoto School in Kenya. All the children at Gatoto Primary School live in the surrounding slum. There are no roads or street lights. The houses have only one room and there is no water or electricity. The money that was raised helps provide solar study lights, so that the children at the Gatoto School can succeed in their exams and get into secondary school. Every child in the Junior Department helped contribute and read book after book for this wonderful charity. It is no surprise then that they raised a quite staggering £2559.

December 2011

During our Christmas Carol Service a collection was passed around and the generous total of £596.35 was raised. All the money will go to both The Princess Alice Hospice and Sam Beare Hospice.
