

## Monitor your Progress Year 5

**PASSPORT TO THE WORLD:** This topic is a lovely introduction to Senior School Geography. You must concentrate hard because without these basic skills learnt in this topic you will be hindered when we move on to even more really interesting things.

How much do you know?

--	--	--

Do you know the difference between human, physical and environmental geography?			
Have you learnt the continents of the world?			
Do you know the oceans of the world?			
Can you recognise many of the countries of the world and the global cities?			
Can you recognise the shape of countries when they are taken off a world map on there own.			
Can you use longitude and latitude to locate places using an Atlas or Globe?			
Can you label the countries of the EU?			
I know what the European Union represents?			
I know a specific European country in detail regarding its: Location, Geographical Features, History, Economic position.			
I know how to use scale and a key to plan a space such as the classroom.			
I know how to use a compass.			
I know what spot heights are and how to use contour lines on a map to plan a route.			
I can give 4 figure grid references for places on a map.			
I have learnt all the main map symbols and understand how to interpret them on a map.			

Please come and ask me if you are struggling or feel lost, I will always want to help you in your learning. Mr Pilkington
