

15<sup>th</sup> June 2011

Dear Parents

I am writing to inform you that there will be three mathematics sets in Year 5 in September.

Following advice from the Junior Department your son/daughter has been placed in the most appropriate set.

Each set will be having the same test in week 2 and another test in week 4. These will help to confirm the sets and if any movement needs to take place it will do so after these tests.

I hope that your son/daughter enjoys learning mathematics in Year 5 and has a successful year.

The following website is very good and may prove useful for the summer holidays.

[www.mymaths.co.uk](http://www.mymaths.co.uk). The login is feltonfleet and the password is area. There are online lessons and some homework tasks!

Level 3 possibly progressing up to Level 4 should be suitable.

If you have any questions, please do not hesitate to contact me at [j.ashfold@feltonfleet.co.uk](mailto:j.ashfold@feltonfleet.co.uk)

Yours sincerely

Jane Ashfold

Subject Leader of Mathematics
