

National Art Competition

2009

The Competition

As many people in your school as possible will create a painting, drawing or mixed media piece on A3 paper based on the forthcoming 2012 Paralympic games. The theme is 'Movement and Independence'. You may enter under 3 separate age categories; Years 3 and 4, 5 and 6 or 7 and 8. The deadline for entries is **Friday 18th December 2009**.

The Charity

'WheelPower' is a registered charity that provides the necessary equipment, training and support for children and adults to access sport, whatever their disability. It costs WheelPower £3,000 to provide a sports wheelchair, training and facilities for a disabled person new to sport. A Paralympic Athlete will visit the school that raises the most money overall.

The Prizes

You and your School's artwork will be put on display in The Saatchi Gallery, one of the most prestigious in the country, plus art equipment will be won. The top three schools in each age category will go on display in the gallery and on the gallery's website for votes from the public. The finalists will be invited to the Gallery to receive their prizes at a special event and find out who has won. The overall winner will have their image used by 'WheelPower' in their publicity.

The Fundraising

Once everyone has finished their picture, the school or children decide which is the best design in each age category (or however many the school is entering, up to a maximum of three). These will then need to be copied and split into 12 sections so that a class or smaller group can redo each section using different colours from the original. This will then recreate the original design into a large 12xA3 montage. Each section can then be sponsored in order to raise money for 'WheelPower'. You will send us the final design, a photo of your school's montage and your sponsorship money as your entry. Each school is allowed to send a maximum of three entries, one for each age category.
