

# Hugo takes British Tetrathlon title

A 12 year old student from Feltonfleet School in Cobham has won the under 15 Boys title at the British Tetrathlon Championships, hosted by the University of Bath. Hugo Fleming also won the Best Run medal by completing 1000m in 2:57.66. Tetrathlon includes fencing, shooting, swimming and running. This isn't Hugo's first taste of success in sport. Last year he won both the Elmbridge and Surrey Sports Personality awards as well as British, European and World titles in Biathle and Triathlon events. His aim is to compete for England in the Olympic event of Modern Pentathlon.
