

## **Feltonfleet hosting national prep school art exhibition**

Approximately 50 Prep schools around the country are exhibiting at one of the largest national art exhibitions, hosted this year by Feltonfleet School in Cobham, Surrey.

Each year Prep school's that are affiliated to SATIPS (Support and Training in Prep Schools) send a selection of their children's art work from Reception (age 3) right up to Year 8 (13 year olds).

The event on Saturday 10 May will celebrate the achievement of the children's work and host the Heads and Heads of Art of participating school's, as well as local dignitaries and guests of the school. There will be a speaker at 12.00 noon followed by a buffet lunch and tour of the exhibition.

The exhibition will then be open the following week – 12 to 16 May – with various concerts and private views also taking place. Some Prep schools are bringing children to see the exhibition during the day of that week.
