FELTONFLEET Cobham, Surrey KT11 1DR

A new addition to the guide – and by popular demand. Feltonfleet is a busy school with a thrusting atmosphere that does not believe in hothousing. Games are taken seriously and the new music director has hit some high notes, not least because of his annual Party in the Park concert. The headmaster Philip Ward gets closely involved and there's a queue outside his office every morning to show good work for which pupils are awarded with Headmaster's Initials.
